Warning: Discharging firearms in poorly ventilated areas, cleaning firearms or handling ammunition may result in exposure to lead and other substances known to the State of California to cause birth defects, reproductive harm and other serious physical injury. Have adequate ventilation at all times. Wash hands thoroughly after exposures.

- Striker Fired
- Hardened Steel Slide with Integrally Machined Sights
- Integrated Trigger Safety, Manual Safety, Magazine Disconnect, and Chamber Witness Hole

Product Description

The Ruger EC9s is your everyday affordable carry pistol. It has a striker fired action with a light, crisp trigger pull. Additional features include a slim, lightweight profile that is perfect for concealed carry, rugged construction, checkered grips and sights integrally machined with the slide. Safety features include an integrated trigger safety, manual safety, magazine disconnect safety and inspection port that allows for visual confirmation of a loaded or empty chamber.
